

2021 Real Estate Challenge

The Harold E. Eisenberg Foundation invites you to register for our **11th Annual Real Estate Challenge** featuring site partners, the *Chicago Department of Planning and Development* and *DL3 Realty*. The site, located on Chicago's South Side in the community adjacent to Jackson Park, presents an opportunity to leverage the excitement and energy of the future Obama Presidential Library. The virtual Challenge will focus on bolstering the vitality of the neighborhood and making an anchor investment in a historically under-invested corridor while educating real estate students across the country.
