OUR MISSION

THE HAROLD E. EISENBERG FOUNDATION is committed to embracing life's challenges through cancer gastrointestinal research and education.

HAL'S STORY — A MAN WHO INSPIRED MANY: In early 1999, Harold 'Hal' E. Eisenberg passed away suddenly from liver cancer. Almost immediately, in an outpouring of love, Hal's friends and family established the Foundation in his name. We are dedicated to raising funds for cancer research so that other families do not have to endure the loss of a loved one from gastrointestinal cancer. Hal's legacy as an educational leader lives on through the Foundation's real estate programs. We remain committed to celebrating the spirit of a man whose love of people and passion for learning inspired those around him. It remains our mission to continue Hal's good work.

OUR PROGRAMS

CANCER RESEARCH: We are dedicated to fighting gastrointestinal cancers (including cancers of the pancreas, liver, stomach, colon, esophagus, gallbladder, small intestine and rectum) through innovative research at the Robert H. Lurie Comprehensive Cancer Center, where the foundation funds a GI Cancer Tissue Bank.

REAL ESTATE EDUCATION: We are dedicated to continuing Harold's legacy of enriching and empowering students and young professionals. Our real estate education programs are designed to provide students with exposure to and experience in the real world of real estate. The Harold E. Eisenberg Foundation is a place for real estate students and professionals to connect.

GIVING BACK: We rely upon the time and talent of our volunteers and the generosity of individual and corporate donors. Because of them, we continue to fund cutting-edge cancer research and real estate education programs.

Eisenberg Foundation is pleased to announce its **12**TH **ANNUAL EISENOPOLY EVENT ON FRIDAY, FEBRUARY 3, 2023.** The Monopoly-themed fundraiser will take place at Chicago's Wintrust Grand Banking Hall.
