Apply here <https://www.ackmanziff.com/azeducate/>.

Last year OVER 150 applicants applied and 85 undergrad and post-grad / grad students were selected. AZE is the perfect complement to a summer internship; we will work with your employer to accommodate their participation.

WHAT AZE LOOKS FOR:

Passionate, energetic students with a strong interest in Real Estate and Finance. We encourage men and women across the globe to apply; last year we had students from over 7 countries!
