

Founded in 1999 to honor the life and legacy of Harold E. Eisenberg, the Eisenberg Foundation is committed to embracing life's challenges through gastrointestinal (GI) cancer research and real estate education.

REAL ESTATE EDUCATION

4,200
students' lives
impacted

Facilitated

1,600
mentorships for
college students

NEARLY **\$500k** AWARDED IN
SCHOLARSHIPS

700+ students learned about real estate through the inaugural *REAL Bright Summit*

Nearly 150 real estate industry speakers shared their knowledge with students through our programs last year

59 students coast-to-coast participated in our 30-day intensive *Real Estate Challenge*, supported by **40 industry mentors**

Mentors with industry expertise

Universities represented across students last year

Real estate industry leaders serving on our boards

With over **22 years** of program experience, we help **PATIENTS SURVIVE & STUDENTS THRIVE**

ADVANCING GI CANCER MEDICINE

\$3M+ IN FUNDED PROGRAMS
TO ADVANCE GI CANCER
MEDICINE

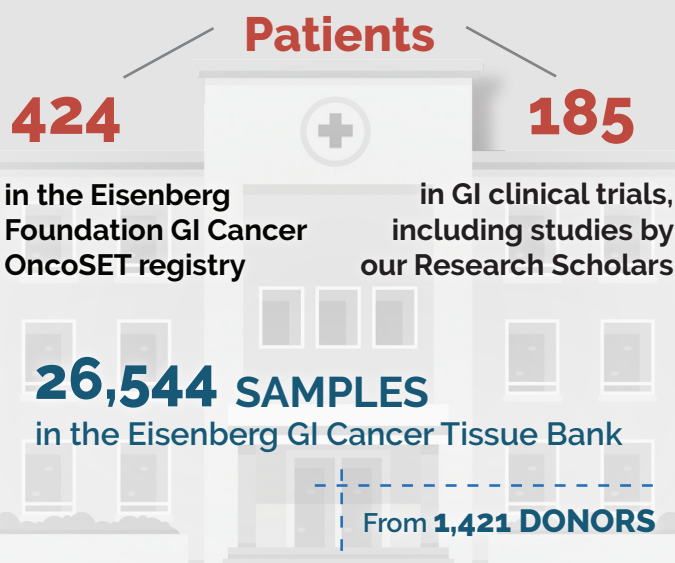

Doubled down on research, funding two Research Scholars during a challenging time for cancer research and patients

Funded research to help patients with PDAC – a cancer diagnosis with one of the worst survival rates worldwide

Provided cancer care packages to local GI cancer patients, assembled by our Junior Board comprised of kids ages 6-18

The Eisenberg Foundation makes scientific breakthroughs possible through our partnership with the Robert H. Lurie Comprehensive Cancer Center of Northwestern University

**SUPPORT OUR
MISSION!**
