IU Indianapolis Students Receive Top Honor

Kelley Indianapolis students **Luke Lonneman** (pictured top left) and **Carter Piper** (pictured bottom left) have been named to IU Indianapolis Top 100. They are two of only 11 Kelley students to receive the honor.

Each year, IU Indianapolis honors 100 outstanding undergraduate students who demonstrate excellence in three categories—academic excellence, campus leadership, and community engagement. These Top 100 Jags represent everything that makes IU Indianapolis exceptional.

Lonneman is a junior majoring in Marketing & Real Estate. He is Co-President of the Real Estate Club and a 2023-2024 Eisenberg Scholar. He will be interning at Sullivan Development in Carmel this summer.

Piper graduated with a degree in Finance & Real Estate in December and has begun his brokerage career at XMark Midwest in Indianapolis. He was part of the winning NAIOP Indiana University Challenge team in the fall.
