

## **Newcastle Properties**

Position: Summer Intern

Dates: 6/14/21-7/30/21

A full time unpaid internship that provides a hands on introduction to the commercial real estate investment industry. The primary focus for this position will be in the areas of leasing and marketing. The successful candidate will work on creating media content while enhancing and expanding the social networking and website activities of the company. Additional projects will include sourcing and compiling contact databases, conducting market surveys, and participating in various meetings, showings and other interactive networking activities.

While this is an unpaid internship, a weekly stipend of \$200 will be provided.
