Chicago, IL  
[www.unbelgin.com](http://www.unbelgin.com)

**Union National Bank is looking for a Commercial Loan Officer to care for customer needs and collaborate with our team.**

If you prioritize customer requests and respond in a prompt and professional manner, then this job is for you! Customers are looking for a personal service and responsiveness. At Union National Bank we prioritize our customers' needs and provide solutions to help their businesses grow without sacrificing technology. Simplified processes and knowledgeable team save them time and money. That is why Chicagoland business owners have been looking to us for over 100 years.

What you will do:

- Provide leadership in responding and managing customer requests
- Provide required financial information to onsite Credit Department
- Actively participate and vote in weekly loan committee meetings
- Establish and maintain effective and professional business relationships with customers and trade professionals
- Work with Business Development team to onboard new customers
- Market commercial loans and cross-sell other bank products and services.

What we will do:

- Provide existing client base to service
- Onsite Credit underwriting department dedicated to timely review
- Collaborative team that looks for solutions for customer needs
- Management open to employee input for improving customer experience

Required Skills:

- Commercial Lending Experience, minimum 3-5 years
- Excellent written and verbal Communication skills
- Financial Analysis and Credit worthiness experience
- Knowledge of Bank lending and collections programs, policies and procedures
- SBA experience preferred
- Commercial Real Estate, Property Management and Maintenance experience a plus
- CRM and computer software experience
- Networking experience
- Ability to meet goals

Related Education:

- Bachelors degree in Business, Finance or related field
